

Comprehensive Support for Alberta - Rural Entrepreneur Stream by Change of Phase Consulting Ltd

1 Overview of Rural Entrepreneur Stream (RES)

Rural Entrepreneur Stream RES Overview

Designed for Experienced Entrepreneurs

The RES is tailored for seasoned entrepreneurs seeking to start or acquire a business in rural Alberta, thus fostering local economic development.

Support for Local Job Creation

The program significantly contributes to local job opportunities, enhancing community welfare and economic sustainability.

Eligibility Highlights for Applicants

Minimum Net Worth Requirement

Applicants must have a minimum net worth of CAD 300,000 to qualify for the RES, ensuring financial stability.

Business Investment Minimum

A minimum investment of CAD 100,000 is required, emphasizing the commitment to rural business development.

Ownership and Management Experience

Three years of business ownership or management experience is mandatory, ensuring applicants possess necessary skills.

Language Proficiency Mandate

A CLB 4 language proficiency is required, ensuring effective communication in business operations.

Change of Phase Consulting Ltd Support

End-to-End Support

Change of Phase Consulting provides comprehensive support throughout the RES process, from initial exploration to post-arrival.

Community Visits and Engagement

We help clients identify suitable communities and arrange meetings with key economic officers for successful integration.

Application Crafting and Submission

Our team crafts compliant business plans and assists in the timely submission of applications to meet strict deadlines.

2 Eligibility Requirements for RES Participation

Minimum net worth requirement set at \$300,000 for applicants.

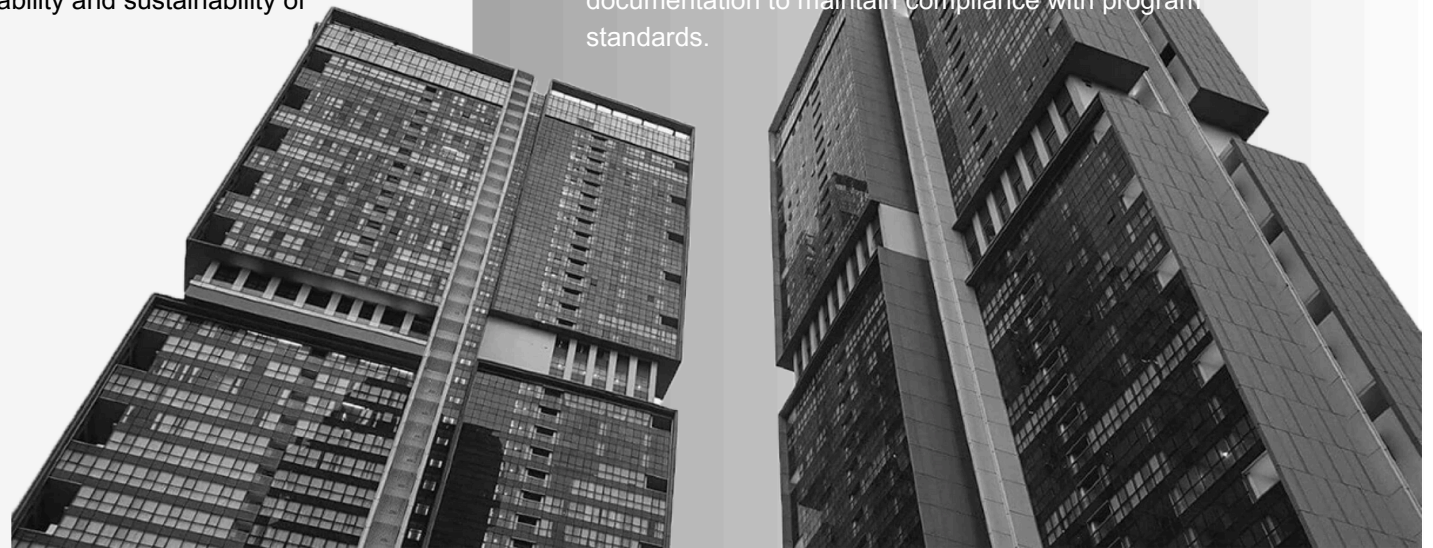

Financial Stability Requirement

Applicants must demonstrate a minimum net worth of \$300,000 to ensure financial viability and sustainability of business.

Verification of Assets

All assets must be verifiable through appropriate documentation to maintain compliance with program standards.

An investment of at least \$100,000 is necessary to qualify.

PART 1

PART 2

PART 3

PART 4
